

## **Healthy Air Oregon Campaign Endorsement Form**

*Business, Government and Non-Profits Working Together for a Healthier Future!*

---

(Name of Business) cares about the health of people in our community,  
the health of our employees and about the quality of Oregon's air.

Our business will encourage our customers to learn about simple and effective actions they can take to help keep our local air clean and to conserve energy resources.

Our goal is to reduce air pollution and fuel use by ending unnecessary motor idling. This initiative has been adopted by Lane County, Multnomah County, Lane Regional Air Protection Agency, the Department of Environmental Quality and over two dozen businesses in Oregon.

Our business is participating in the following ways:

1.  **Endorse a No-Idling policy for our business' premises;**
2.  **Adopt the policy for our own business fleet (contact OTA for examples of model No Idling policies already adopted in Oregon);**
3.  **Place No Idling signs and/or educational materials on our premises (contact OTA for details);**
4.  **Make a tax-deductible contribution that will be dedicated to advancing the Healthy Air Oregon public education campaign\* throughout Oregon: \$\_\_\_\_\_**
5.  **Allow us to link to your website from the HAO web site.**  
(your url: \_\_\_\_\_)
6.  **Please send me an HAO brochure, bumper sticker and No Idling packet...**

**Here's my address:** \_\_\_\_\_

**Here's my email:** \_\_\_\_\_
