

## Healthy Air Oregon Campaign Endorsement Form

*Oregonians Working Together for a Healthier Future!*

---

**(Name of Individual)** cares about the health of people in our community,  
the health of our employees and about the quality of Oregon's air.

I hope to do all I can to encourage friends and family to learn about simple and effective actions they can take to help keep our local air clean and to conserve energy resources.

To support these goals, I pledge to limit my idling to no more than 30 seconds while NOT in the flow of traffic and to help promote the *No Idling* initiative introduced by the Beyond Toxics.

I can participate in the following ways:

1.  **Limit my idling to no more than 30 seconds while NOT in the flow of traffic;**
2.  **Encourage friends and family to adopt this practice for themselves;**
3.  **Make a tax-deductible contribution that will be dedicated to advancing the Healthy Air Oregon public education campaign\* throughout Oregon: \$\_\_\_\_\_**
4.  **Please send me an HAO brochure, bumper sticker and No Idling packet...**
